Summer 2013 JD SYMPOSIUM

5-6 of July 2013
Hotel Mare e Pineta, Viale Dante 40
Milano Marittima, Italy

On behalf of JDentalCare, you are invited to attend the JD Symposium 2013.

This two-day, intermediate-to-advanced program is designed for practicing clinicians with established competencies within the field of implant dentistry. Different dental implant treatments and techniques in the surgical, restorative and regenerative fields will be addressed. For those interested in cosmetic procedures, the meeting will also include a detailed ceramic veneers course illustrating step-by-step techniques.

The 2013 meeting will be held in Milano Marittima, the most precious pearl of the Adriatic Riviera. After a full day of coursework, your evenings will be free to allow time for you to network, relax with colleagues or explore the nightlife with lots of shops, street bars, exclusive discotheques, and gourmet restaurants.

Come join us!
